WITH DIAMOND CUT
TUNGSTEN CARBIDE TIP

Luna
TOOLS

- ▶ 7-sided assymetrical cutting edges
- ▶ Fast drilling
- ▶ Diamond cut tungsten carbide tip
- ▶ Two u-shaped tracks for effective removal of dust

CLINKER TILE DRILL

Tile drill for making holes in clinker, tiles, concrete and marble. With diamond cut tungsten carbide tip for particularly hard materials. For extra fine holes, start with a smaller dimension and increase in size. Can handle 3-6 holes in very hard clinker.

ITEM NO	DIAMETER	AUGER LENGTH	TOTAL LENGTH
